

Curriculum Vitae

Ali A. Weinstein (née Berlin), Ph.D.

George Mason University
 4400 University Drive, MSN 5B7
 Fairfax, VA 22030
 (703) 993-9632
aweinst2@gmu.edu

EDUCATION

- 2007 Ph.D., Medical Psychology, Uniformed Services University of the Health Sciences (USUHS)
 Dissertation: “Biobehavioral Correlates of Depression in Reaction to Mental and Physical Challenge”
 Advisor: Willem J. Kop, Ph.D.
- 2006 Heart Rate Variability: Techniques, Applications, and Future Directions, Harvard University
- 2004 M.S., Medical Psychology, USUHS
- 2001 M.A., Kinesiology (Concentration: Sport and Exercise Psychology), University of Maryland
- 1999 B.S., Psychology (Minor: Health Care and Society), Lafayette College

ACADEMIC AND RESEARCH EXPERIENCE

- 2017 – Present Faculty Fellow
 Center for Teaching and Faculty Excellence, George Mason University (Mason), Fairfax, VA
- 2017 – Present Director
 Center for the Study of Chronic Illness and Disability, Mason
- 2013 – Present Associate Professor
 Graduate Programs Director (2013 – 2016)
 Global and Community Health, Mason
- 2008 – Present Researcher
 Betty & Guy Beatty Center for Integrated Research, Outcomes Research Program
 Inova Health System, Falls Church, VA
- 2007 – 2017 Deputy Director (Interim Director, 2013 – 2017)
 Center for the Study of Chronic Illness and Disability, Mason
- 2007 – 2013 Assistant Professor
 Graduate Programs Director (2008–2013), Rehabilitation Science
 Global and Community Health/Rehabilitation Science, Mason
- 2005 – 2007 Research Intervention Coordinator
 Department of Nursing, USUHS, Bethesda, MD
- 2001 – 2007 Research Associate
 Department of Medical and Clinical Psychology, USUHS
- 2001 – 2004 Research Associate
 Department of Rheumatology, University of Michigan, Lansing, Michigan

HONORS AND AWARDS

- 2017 – 2018 Selected for 10th cohort of the American Psychological Association (APA) Leadership Institute for Women in Psychology
- 2017 Mentoring Excellence Award, Office of Student Scholarship, Creative Activities, and Research, Mason

2016	President's Citation Award nominee at the American Academy of Physical Medicine and Rehabilitation Annual Assembly
2016	University Teaching Excellence award, Mason
2016	Certificate of Merit abstract at the 8 th Biennial Cancer Survivorship Research conference
2015	Master Teacher Award (Senior Faculty), College of Health and Human Services, Mason
2014	Presidential Poster of Distinction at the American Association for the Study of Liver Diseases annual conference
2012 – Present	President, Phi Kappa Phi Honor Society, Mason chapter
2011	Habit of Excellence Award, College of Health and Human Services, Mason
2006 – 2007	Henry M. Jackson Foundation Fellowship in Medical Sciences
2006	Citation poster at American Psychosomatic Society annual conference
2001	Phi Kappa Phi Honor Society
1997	Psi Chi Honor Society

GRANT AND CONTRACT SUPPORT

2017-2020	Principal Investigator: Clinical Research Education. Inova Health Care Total direct costs: \$90,000
2016-2021	Principal Investigator, Subcontract: American Institutes for Research (National Institute on Disability, Independent Living, and Rehabilitation Research (NIDILRR)) "Model Systems Knowledge Translation Center" Total direct costs: ~\$40,000
2014-2015	Co-Investigator: Effect of Prescribed Aerobic Exercise vs. Self-Selected Activity in Treatment of Breast Cancer-Related Fatigue. PNC Charitable Trust Grant #115058 Total direct costs: \$52,221
2014-2017	Principal Investigator: Clinical Research Education. Inova Health Care Total direct costs: \$90,000
2013	Principal Investigator: Comparison between Peripheral and Central Fatigue in Women with Breast Cancer. Mason Summer Research Funding for Tenure-Track Faculty Total direct costs: \$4,500
2012-2014	Principal Investigator: Comparison between Peripheral and Central Fatigue in Women with Breast Cancer. PNC Charitable Trust Grant #112881 Total direct costs: \$50,000
2011-2016	Co-Investigator, Subcontract: American Institutes for Research (Department of Education, National Institute on Disability and Rehabilitation Research) "Model Systems Knowledge Translation Center" #H133A110004 (00851-03127) Total direct costs: ~\$400,000
2010-2013	Principal Investigator: Cardiovascular Reactivity to Mental Stress in Coronary Artery Bypass and Maze Surgery Patients. Mason-Inova Life Sciences Research Collaboration Fund Grant #221908 Total direct costs: \$49,506
2010-2012	Principal Investigator: A Pilot Study to Evaluate the Safety and Efficacy of the BrainPort™ Balance Device When Used to Improve Postural Control in Patients with Traumatic Brain Injury. Center for Neuroscience and Regenerative Medicine, Henry M. Jackson Foundation Grant #109464 Total direct costs: \$229,167 (\$48,947 to Mason)
2008-2009	Co-Principal Investigator, Subcontract: Economic Systems, Inc. VA Contract "Evaluation Study of VA's Vocational Rehabilitation and Employment (VR&E) program" #090202-VRE0810 (October 2008-December 2009) Total direct costs: \$122,008
2008	Co-Investigator, Subcontract: Economic Systems, Inc. VA Contract "A Study of Compensation Payments for Service-Connected Disability: Issue of Work Related Disability and Function" #080305 (April-July 2008) Total direct costs: \$50,456

- 2007 – 2009 Principal Investigator: Effects of a Lifestyle Physical Activity Intervention in Heart Failure Patients. American Heart Association Post-Doctoral Grant # 0725439U
Total direct costs: \$70,000
Grant not accepted because attained tenure-track faculty position
- 2005 – 2007 Principal Investigator: Biobehavioral Correlates of Depression in Reaction to Mental and Physical Challenge. USUHS Grant #T072HO
Total direct costs: \$5,000

PROFESSIONAL SERVICE ACTIVITIES

International-Level Service

2017	Reviewer, Health and Behavioral International Collaborative Award
2014	Reviewer, Dutch Arthritis Foundation Research Grant Program
2012	Reviewer, British Heart Foundation Research Grant Program

National-Level Service

2017 – Present	Chair, APA Division 38 Health Research Council
2017	Reviewer, National Institutes of Health, National Institute on Alcohol Abuse and Alcoholism Special Emphasis Panel (ZAA1 AA 02 1)
2016 – Present	Reviewer, American Psychological Foundation Visionary Grants
2013 – 2017	Vice-Chair, APA Division 38 Health Research Council
2011 – 2013	Secretary, APA Division 38 Health Research Council
2011 – 2013	Member, APA Division 38 Early Career Professionals Council
2009 – 2015	Member, American Psychosomatic Society Membership committee
2007 – 2008	Member, APA Division 22 Program committee
2005 – 2006	Co-Chair, Student Council of APA Division 38

University-Level Service

2017 – 2018	Member, Learning Environments committee
2016 – 2017	Member (elected by peers), search committee for Dean of College of Health and Human Services
2016	Member, Adjunct Teaching Excellence Award committee
2015 – Present	Member, Conflict of Interest committee
2015 – 2016	Member, Faculty Learning Community on Well-Being
2014 – Present	Faculty advisor, MedX Global
2013	Reviewer, Summer Research Funding Grants for tenure-track and tenured faculty
2012 – 2013	Member, subcommittee on Presidential Scholar's program (PhD scholarship program)
2012 – 2016	Member, subcommittee on Faculty and Curricular activities, Quality Enhancement Program Leadership Council
2011 – Present	Member, University Scholars Selection committee (undergraduate scholarship program)
2008 – 2011	Member, Medical Students Advisory committee

College and Department-Level Service

2016 – 2017	Member, search committee for tenure/tenure-track position
2016 – 2017	Member, search committee for Elizabeth Enochs endowed chair tenured position
2015 – 2016	Chair, search committee for term MPH coordinator position
2015 – 2016	Member, search committee for Instructional Designer specialist position
2015 – 2016	Chair, College of Health and Human Services Faculty Council
2014 – 2015	Member, College of Health and Human Services faculty development committee
2014 – 2015	Chair, search committee for two tenure/tenure-track positions
2014	Member, search committee for two term positions
2013 – 2015	Faculty Advisor, Delta Omega Honorary Society in Public Health
2013 – 2014	Member, search committee for two tenure-track positions
2012 – 2013	Member, search committee for tenure-track position
2011 – 2012	Member, search committee for two tenure-track positions
2010 – 2011	Member, search committee for founding chair of Rehabilitation Science department
2008 – Present	Member, College of Health and Human Services curriculum committee
2008 – 2010	Chair, College of Health and Human Services curriculum committee
2007	Member, search committee for tenure-track position

TEACHING AND MENTORING ACTIVITIES

Graduate-Level Courses

Foundations of Rehabilitation Science
Research Methods
Psychosocial Aspects of Rehabilitation
Biobehavioral Aspects of Health
Practicum Seminar
Practicum in Public Health
Preparing for Careers in the Academy

Undergraduate-Level Courses

Stress and Well-Being
Applied Health Statistics
Public Health Research Methods
Clinical Research Internship
Foundations of Clinical Research
Introduction to Public Health
Global Health
